We're So Blessed

- If you own just one Bible, you are abundantly blessed. One-third of all the world does not have access to even one.
- If you woke up this morning with more health than illness, you are more blessed than the million who will not survive the week.
- If you have never experienced the danger of battle, the loneliness of imprisonment, the agony of torture, or the pangs of starvation, you are ahead of 500 million in the world.
- If you can attend church meeting without fear of harassment, arrest, torture, or death, you are more blessed than three billion people in the world.
- If your parents are still married and alive, you are very rare, even in the United States.
- If you have money in the bank, in your wallet, and spare change in a dish someplace, you are among the top eight percent of the world's wealthy.
- If you have food in the refrigerator, clothes on your back, a roof over your head, and a place to sleep, you are richer than seventy-five percent of this world.

"A faithful man shall abound with blessings..." – Proverbs 28:30
