Ask Not, Do

John F. Kennedy once said, "Ask not what your country can do for you, but what you can do for your country." We could turn this statement into a spiritual thought. What if we say, "Ask not what the Church can do for me, but what I can do for the Church." How different would the Church be if we all had that attitude? There would be plenty of Sunday School teachers, men to help in the service, and workers to help in operation of the Church. Never think you are too old or too young or too sickly. Don't have the attitude, I already did my part because I did a certain job in the past. There is always something that you can do. You could turn the lights on or off, turn on the heat in winter or air in the summer, or it could even be something as simple as sharpening pencils.

There is a saying: "You only get out of some thing what you put into it." What is that talking about? It is talking about our effort. Are you getting anything out of the Church? How much effort are you putting into the Church?

The Church is the body of Christ. The Church cannot function if just the fingers work or the big toe works. It takes all the body working together. Even if you think you are a pinky toe there is still a job for you.

So, ask yourself, "what can I do for the Church?"
