RELIABILITY

Alan Smith - Thought for the day

In 1986, the Yugo automobile was introduced in the United States and was the lowest-price car at the time. It was sold for several years before being removed from the U.S. market. One of the biggest complaints with the Yugo, though, had to do with its reliability which led to a rash of jokes like these:

Yugo (yoo'-go)

n. 1) Small, economical, Yugoslavian-built automobile.
 v. 1) What doesn't happen when you press the
 accelerator.

Q. Why does a Yugo have a rear window
 defroster?

A. To keep your hands warm as you push it.

Q. How do you double the value of a Yugo?
 A. Fill the tank with gas!

Q. What comes with every Yugo User's
 Manual?

A. The bus schedule.

Having a reputation for being inexpensive isn't much consolation if it is accompanied by a reputation for having a lack of power and being unreliable. Reliability is one of the qualities we look for when we purchase a car. After all, what good is a car that gets 60 miles to the gallon if it breaks down before we get where we're going?

In the scriptures, reliability is also one of the most important qualities a person can have. We admire someone who keeps their promises -- someone whom we can count on to do what they say they'll do, someone who is trustworthy.

Fortunately, we serve a God with all those qualities.

"Let us hold fast the confession of our hope without wavering, for He who promised is faithful." (Heb. 10:23)

"If we are faithless, He remains faithful; He cannot deny Himself." (2 Tim. 2:13)

May the reliability and faithfulness of God motivate us to exhibit those same qualities in our own lives.
