I Never Intended to Quit

Gus Nichols

A man who had not attended one service of the church in four years told me he had never thought of "quitting" the church. I reminded him that he had:

- Withdrawn his presence from the services.
- Refused to give his moral support to the activities of the congregation.
- Withdrawn his financial support, for he had not given one dime to help carry on the Lord's work.

Then I asked, "What else would you have to do in order to 'quit' the church? In case you ever decide that you no longer desire to be a member, what other steps will be necessary to 'quit' the church?"

As the true status dawned upon him his expression reflected his sober thoughts. He replied, "Why Brother Nichols, I've already quit, haven't I? Well, I surely didn't mean to! And I don't know when I did it... But I've quit the Lord and his church! I'll tell you right now... I'm coming back." He did too! At the next service he was restored, and three years later he is still faithful.

Dear reader, how about you? Have you quit the Lord and His church without resolving to do so? Perhaps no one deliberately decides to quit, but many carelessly drift into backsliding.

If you quit attending services, quit boosting the program of activities planned by the elders, and quit giving as God has prospered you to enable the congregation to meet its budget, you need to be restored.

The New Testament still says: "Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another; and so much more, as ye see the day approaching." Heb. 10:25
